The supplies are collected and saved at the beginning of the year by the classroom teacher.. Each quarter some supplies, like the crayons and erasers, will be distributed. All items, except pencils need to have your child's name written on them with a permanent marker. If you have any questions or concerns about the materials needed or anything else, please feel free to drop by or call

## 2nd Grade:

Your child will be in our second grade classrooms next year. We have decided that this year in order to save you some time and money, we are asking for a supply fee rather than school supplies to be brought from home. **We are asking each student to bring \$20.00** to cover the cost of pencils, crayons, glue, markers, erasers, binders, folders, scissors and other miscellaneous items.

**We would still like you to send your child to school with the following items as they are personal.**
